RULES WORKSHOP

- **RULE 64B1-4.0011, F.A.C., Documentation Necessary for Licensure Application**
- **Notice of Meeting/Workshop Hearing**
- **Application Form**

A request was made to hold a rules workshop on this proposed rule after the proposed rule had been noticed in the Florida Administrative Weekly.

There were no audience members present for this workshop.

Ms. Edwards explained the rule was proposed to incorporate the application and form number into this rule as required by JAPC.

The proposed rule reads:

(1) A properly completed application shall be submitted on Form DH-MQA 1116-03/09, incorporated herein by reference as this Board's application and available on the web at www.doh.state.fl.us/mqa. To complete the application attach the appropriate fees and supporting documents and submit it to the Board Office.

Current Subsections (1) and (2) will be renumbered (2) and (3).

Ms. Edwards reported the request for the rules workshop lacked clarity and therefore the rules workshop was unnecessary.

The meeting adjourned at approximately 8:23 a.m.
