

**Rina A. Malan, Vice Chair
Board of Osteopathic Medicine**

Mrs. Palladino works as a Bilingual Eligibility Expert in Medicaid and Disability reimbursement for Adreima at Tallahassee Memorial Healthcare. Through this position, she has assisted Adreima in developing strong business relationships with state and federal government agencies and within the healthcare community.

Previous to her work with Adreima, Mrs. Palladino worked for six years for Medical Quality Assurance for the Florida Department of Health. She served as a Regulatory Specialist II, for the Board of Osteopathic Medicine and as a Regulatory Specialist I, for the Expert Witness Program, Prosecution Services Unit. She also served the state of Florida during the aftermath of the hurricanes in 2004 (Jeanne, Ivan, Frances and Charley) by performing health assessments across the state for the Emergency Operations Unit for the Florida Department of Health.

She is fluent in both Spanish and English. Her interests include gourmet cooking, running, the outdoors and learning about different cultures and ethnic backgrounds.

Mrs. Palladino is proud to be a member of the Board of Osteopathic Medicine. She is dedicated to working with the board and informing practitioners as to the rules and statutes that govern their profession. She values the opportunity to protect and serve the citizens of Florida through ensuring their access to honest and a well trained physicians practicing in our state.
